LAB SESSION REPORT

Work done in Lab Session:

- In this Lab session I learned to create List View and then Card View.
- Here I created an Awesome Quote app which displays quotes in Card View with their author name.
- Overall things learned,
  1. How to use other classes in the main class.
  2. How to create a list view.
  3. How to create a card view.
  4. Adjusting layouts

Plans for next week:
- Will follow the course
